# *School Social Work in a Time of Pandemic Resource Kit*

## 1) Meeting Students' Needs Academically

Example:

- Finding the students who have fallen behind during the shift to online learning
- DSE preparation

|                                                                                                                                                                                                                                      |                                 |

## 2) Meeting Students' Needs Socially

Example:

- Finding new ways to socialize
- Stay connected with friends while practicing social distancing
- Apps for playing and staying together

|                                                                                       |                                  |
|---------------------------------------------------------------------------------------|----------------------------------|
| 網上桌上遊戲<br><a href="https://www.boardgamearena.com">https://www.boardgamearena.com</a> | Free Board Games Online Platform |
|---------------------------------------------------------------------------------------|----------------------------------|

## 3) Meeting Students' Needs Emotionally

Example:

- Mourning canceled events
- Experiencing grief over missing their last days of primary/ secondary school

|                                                                                                                                                                        |                                                                                                          |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------|

#### 4) Supporting Students' Mental Health

Example:

- Stay healthy, fight anxiety and make a difference on the causes we care about

|                                                                                                                                                                                                |                           |

## 5) Providing Tangible Support to Student Amid the Pandemic

Example:

- Access to the internet
- Computer device
- Mask
- Hand-sanitizer

|                                                                                                                                                                                                                                                                                                                                                                                                            |                            |

## 7) Encourage Positivity

Example:

- Appreciating the good
- Learn lessons for future preparedness

|                                                                                                                                                     |        |
